**Press Glass sa
ul. Geodetów 4
PL - 97-500 RADOMSKO**

is in conformity with the performances described in **EN 1279-5**.

The detailed product description is included in a product catalogue managed by the manufacturer and validated and certified by BCCA. The product groups and the technical control of the production system are written down in the annex of this certificate.

The certificate is delivered based on a study and an acceptance of the relevant initial type tests (ITT), executed on relevant samples taken from the production unit and on bases of an initial inspection of the production and the factory production control system (FPC).

BCCA confirms that the manufacturer applies a valid production control system and executes regular testing on samples taken from the production according to a fixed testing program. BCCA supervises the production and the production control system during the yearly audit of the FPC, periodical control of the internal control results and control tests in external laboratory.

On basis of the delivery and the maintenance of this certificate, the manufacturer is authorized to use the BENOR-logo as a means to attest the conformity of his product.

This certificate was first issued on **11/03/2013** and remains valid as long as the product is according to specification and/or the manufacturing conditions in the factory of the FPC itself are not modified significantly and the latest on **10/03/2016**.
